

FCA Security Gateway Solution

HOW IT WORKS IN RELEASE 2020.00

<https://www.technicalinformation.fiat.com>

The screenshot shows the desktop version of the Fiat Technical Information website. At the top, there are logos for various brands including Fiat, Jeep, and Mopar. A navigation bar contains the text "EASY ACCESS" and links for "Information", "Documentation", "Services", "Support", and "Purchase". Below this, a blue banner features a white Fiat convertible car with several icons (wrench, lightbulb, clipboard, etc.) pointing to different parts of the car. A text box above the car reads: "THE WEBSITE - RESERVED TO AUTOMOTIVE PROFESSIONALS - CONTAINS ALL THE DOCUMENTS NEEDED FOR REPAIR AND MAINTENANCE OF ROMEO, FIAT PROFESSIONAL, ABARTH AND SOME SPECIAL SERIES VEHICLES." At the bottom, there is a promotional banner for "8 MARZO FIAT DEDICA UN PENSIERO A TUTTE LE DONNE." and an "INFOS" section with links for "TECH REQUIREMENT", "NEWS", "NOTES", and "MAKE NEW ORDER".

This screenshot shows the mobile version of the website. A red overlay is positioned over the top right, containing the text "Enter for your info" and a "Cart" icon. Below this, a login/register form is visible with "Login" and "Register" buttons. The background shows the same car and navigation elements as the desktop view, but scaled for a smaller screen.

Information about how to register can be found at the support area on the website.

Depending on company type, you might need to attach your company registration.

SHARE CAPITAL:

For some types of activity you must upload backup documentation to prove that your chosen profile is coherent with your real activity. You can upload up to three PDF files no larger than 500 KB each.

Nessun file selezionato

The typical documents you will be asked to upload are:

- Your company headed paper
- Your company registration certificate issued by your local Chamber of Commerce.

After successful registration you will receive user name and password by e-mail that you can use for login.

After log in you can start purchase time.

The screenshot displays the Mopar e-Store website. At the top, there are logos for various brands including Fiat, Jeep, and Mopar, along with a 'Help On Line' link and a language selector set to 'English'. Below this is a navigation bar with 'EASY ACCESS' and links for 'Information', 'Documentation', 'Services', 'Support', and 'Purchase'. A red banner indicates the user is logged in as 'SIMONSSON' and provides a 'Cart' link. A disclaimer states: 'THE WEBSITE - RESERVED TO AUTOMOTIVE PROFESSIONALS - CONTAINS ALL THE DOCUMENTS NEEDED FOR REPAIR AND MAINTENANCE OF FIAT, ROMEO, FIAT PROFESSIONAL, ABARTH AND SOME SPECIAL SERIES VEHICLES.' The main content area features a white Fiat convertible car surrounded by icons representing various technical services like diagnostics, oil changes, and tire services. The Mopar logo and tagline 'MORE CARE FOR YOUR CAR' are at the bottom right of this section. Below the car image, there are promotional banners: one for '8 MARZO FIAT DEDICA UN PENSIERO A TUTTE LE DONNE.' and another for 'Mirafiori Outlet'. An 'INFOS' section on the right offers links for 'TECH REQUIREMENT', 'NEWS', 'NOTES', and 'MAKE NEW ORDER'. The footer contains copyright information for 2012 FGA S.p.A. and a 'Legal notice - Cookie policy' link.

Click on 'Generic diagnostic tool'.

The screenshot shows the 'Purchase - Choose from the catalogues' page on the auto.com website. The page features a navigation bar with 'EASY ACCESS' and links for 'Information', 'Documentation', 'Services', 'Support', and 'Purchase'. On the right, there are buttons for 'Enter for your info' and 'Cart'. The main content area lists five product categories, each with an icon and a 'Click to open' link. The 'Generic diagnostic tool' option is highlighted with a black arrow pointing to it from the left. Below the list, there is a 'Payment type' section with logos for 'XPay' and 'PayPal'. The footer contains copyright information and a 'Legal notice - Cookie policy' link.

How does it work today?

Our interim solution for the FCA security gateway will allow your customers to access new fiat chrysler cars diagnostics systems.

The CDP+ identifies if the vehicle has a active security gateway.
To access the car you have to log in.

Play the movie about how it works above

List of FCA cars that has the security gateway implemented:

Model name	Year	Model code
